DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

The amendment filed 03 November 2003 fails to comply with 37 CFR 1.121 because single brackets have been used to indicate deleted matter in claims 1, 10, and 21. Applicants are reminded that strikethrough (without the use of single brackets) must be used to indicate deleted matter except for the two exceptions noted in revised 37 CFR 1.121(A)(2) wherein double brackets may be used to indicate deleted matter. For example, in line 5 of claim 1, the word "from" should be indicated as being deleted by using strikethrough (i.e. ~~from~~) instead of strikethrough coupled with brackets (i.e. ~~[from]~~).

The Examiner notes, however, that the amendment has been considered on the merits and would place the application in condition for allowance if resubmitted in compliance with 37 CFR 1.121.

2. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213. Additionally, the Examiner notes that since the amendment filed 20 October 2003 is deemed to place the application in condition for allowance subject to correction of the above mentioned informalities, the finality of the previous Office action has been withdrawn.
